**PRODUCT DESCRIPTION:**

The **YAKUDO** kata-gi is the original heavyweight uniform that was developed through extensive research and consultation with competitors of many styles and organizations to provide what is known worldwide as the **Ultimate** uniform. The **YAKUDO** utilizes the strongest and heaviest no 10, 12 oz cotton canvas designed to endure the hardest wear to last. The heavier weight dragonfly folds enhance the distinctive "snap" sound made when doing techniques. This highest grade of cotton canvas provides twice the tensile strength and 20% more friction resistance for strong durability. Multiple stitches reinforce seams and an extra wide and heavy skirt seam for extra strength. Cotton is the original wicking material that will keep moisture away from the body.
